

Superintendent

Welty Building Company Ltd., an established and growing commercial construction company, is seeking to fill a key corporate position in their Cleveland office.

Welty, headquartered in Northeast Ohio with more than 70 years of building experience throughout the Midwest and Atlantic, is seeking an experienced field superintendent who will provide leadership and safely produce projects that are on time and on budget with the quality of workmanship which Welty expects.

Successful candidates must possess the following attributes:

- Ten years minimum experience as a superintendent in a comparable size company
- Proficient in scheduling, construction software and word processing applications
- Capable of managing multiple priorities simultaneously
- Ability to read and write in English
- Ability to read and understand drawings, blueprints, specifications and contractual documents
- Have all OSHA training required to supervise project
- Manage all self-performed labor

Please submit, with your resume, a 25 item list of responsibilities you feel a superintendent should possess.

In addition, while not mandatory, a bachelor's degree in business or engineering would be a plus.

Welty offers competitive compensation and benefits package.

Interested candidates can send their resumes in confidence to careers@thinkwelty.com
