At Welty Building Company, we live our terminal values of **Family, Safety, Communications, Diplomacy, Prosperity and Personal Growth**. We bring a creative energy to our projects where every individual is an essential part of the team. The work we do is collaborative, with an entrepreneurial spirit, and opportunity for growth and improvement. With our cutting edge approach, we expand the boundaries of the way things have always been done in favor of innovation, and exceeding our client's expectations. Welty does much more than construct and build great projects and buildings, we build relationships – with our clients, employees and the communities they serve.

We are looking for a self-starter with a sense of urgency who is looking for a growth opportunity in a company that is expanding rapidly.

Successful candidates must possess the following attributes:

- Three years minimum experience as a superintendent of commercial building projects
- Experience in healthcare and office construction a plus
- Ohio State University construction experience a plus
- Experience in Lean Construction processes and/or the ability to adapt to new methodologies
- A record of leading projects that finish safely, on time and on budget
- Ensure strict adherence to safety, ethics and compliance requirements
- The ability to lead and work in a collaborative environment
- An attention to world class quality and workmanship

- Proficient in scheduling & construction software and Microsoft Word
- Capable of managing multiple priorities simultaneously
- Ability to read and understand drawings, blueprints, specifications and contractual documents
- Have all OSHA training required to supervise project
- Manage all self-performed labor

Welty offers competitive compensation and benefits package. Interested candidates can send their resumes, along with contact information, in confidence to careers@thinkwelty.com
