At Welty Construction Company, we live our terminal values of **Openness, Passion, Teamwork, Integrity, and Customer Centricity (OPTIC)**. We bring a creative energy to our projects where every individual is an essential part of the team. The work we do is collaborative, with an entrepreneurial spirit, and opportunity for growth and improvement. With our cutting edge approach, we expand the boundaries of the way things have always been done in favor of innovation, and exceeding our client's expectations. Welty does much more than construct and build great projects and buildings, we build relationships – with our clients, employees and the communities they serve.

Welty Construction Company is seeking an experienced field superintendent who will provide leadership and safely produce projects that are on time and on budget with the quality of workmanship which Welty Construction expects.

Successful candidates must possess the following attributes:

- Ten years minimum experience as a superintendent in a comparable size company
- Proficient in scheduling, construction software and word processing applications
- Capable of managing multiple priorities simultaneously
- Ability to read and write in English
- Ability to read and understand drawings, blueprints, specifications and contractual documents
- Have all OSHA training required to supervise project
- Manage all self-performed labor

Please submit, with your resume, a 25 item list of responsibilities you feel a superintendent should possess.

In addition, while not mandatory, a bachelor's degree in business or engineering would be a plus.

Welty Construction Company offers competitive compensation and benefits package.

Interested candidates can send their resumes in confidence to careers@thinkwelty.com
